

Become Certified!

Elevate your career by becoming a certified dyslexia therapist, and open doors to your future!

Partner with us to powerfully expand your intervention support for students with a wide range of therapeutic needs. Experience a personalized and supportive practicum experience through expert guidance and feedback.

2027 Course Dates

Course will run on select Saturdays March-May, followed by 8 consecutive days in early June. The practicum will include five Saturday seminars throughout the 27-28 school year.

ACADEMIC LANGUAGE THERAPY

This unique instruction is designed to expertly meet the needs of students with the most common reading disorder - dyslexia. It is systematic, multisensory, comprehensive, and aimed at the key cognitive processes involved in reading and writing, delivered by professionals who have completed rigorous training and practicum requirements as set forth by the Academic Language Therapy Association (ALTA).

Benefits

- ALTA Gold Standard credentials at the practitioner and therapist levels
- Opportunity to work with a dynamic network of skilled professionals across the country
- State chapter community
- National, public directory of certified members
- Professional liability insurance options for therapists and practitioners
- Master's programs taking Denver Dyslexia Partners' coursework
