

Become a Dyslexia Specialist

*A meaningful next step
in your teaching journey...*

Elevate your career.

Prepare for certification as a Certified Academic Language Therapist (CALT) and expand your teaching practice with specialized methods that make a powerful difference in students' lives.

What is Academic Language Therapy?

This unique instruction is designed to expertly meet the needs of students with dyslexia.

It is systematic, multisensory, and directed to the underlying cognitive processes involved in reading and writing.

A unique training experience

Partner with us for a distinctive training experience that will powerfully expand your abilities to address the diverse therapeutic needs of students with dyslexia.

Experience a personalized, supportive practicum with expert guidance and kind, individualized feedback.

The training journey begins March 2027

- ✓ Select Saturdays, March–May
- ✓ Eight consecutive days in early June
- ✓ Five Saturday practicum seminars throughout the 2027–28 school year
